At 9:30 a.m. Public Comment

Sheriff Howard came before the board in regards to his budget. Sheriff Howard discussed the letter that was sent to him from the Commissioners regarding the budget. Sheriff Howard stated that there is not enough money to hire new deputies; Mr. Hintz stated they thought the Sheriff had enough in his budget to hire. Sheriff Howard questioned what are they going to do regarding purchasing new vehicles? Mr. Hintz stated they want to be able to add to the fleet. Sheriff Howard stated that he would like to buy all state trooper cars this year. Sheriff Howard stated that the costs to maintain these vehicles is costing too much. Mr. Bauer stated that fourteen applications have been received for the mechanics position. Mr. Bauer stated that the hiring process is moving forward. Sheriff Howard questioned if he stayed within the \$65,000.00 budget amount, then he can purchase some vehicles.

The bull pen is all evidence can not get rid of any of this until the prosecutor releases. Mr. Dunlap questioned if the board submits a letter to the prosecutor; how many vehicles could the Sheriff get rid of? Is the paperwork done on these vehicles? Sheriff Howard stated all paperwork is finished, but Sheriff Howard stated he was unsure how many vehicles could be scrapped. Mr. Dunlap questioned how many cruisers are back there that have not had the paperwork done to be placed on GovDeals? Sheriff Howard stated that as far as he knew, all paperwork had been submitted to the Commissioners. Sheriff Howard stated that the cars belong to the Commissioners, and that the Commissioners should just do what they want to do with these cruisers. Ms. Ziemba stated she needed the VIN numbers verified with the pictures that were given to her before they could be placed on GovDeals.

Mr. Bauer stated he would like the Sheriff to identify all the cruises that they are done with. Sheriff Howard stated that they are short-handed and do not have the man power to assign someone to these cars, and since they are the property of the Commissioners, they should handle this. Mr. Bauer stated that they understand that these are the Commissioners property; however the Sheriff's Department knows which vehicles are scraps and which ones need repair. Ms. Ziemba stated that all she needs is more information on the vehicle beside the VIN numbers. Sheriff Howard stated that they will get the Commissioners VIN numbers and pictures and the Commissioners can do what they want with them; that the Sheriff's Office should just stay out of it.

Sheriff Howard discussed on hiring because of the raises, there is not enough money in the budget at this time to hire. Sheriff Howard stated High Visibility grant refunds were not included in their budget. Sheriff Howard discussed they do not have the money in the budget in regards to air cards. Mr. Hintz explained that the Commissioners thought they had the money. All the Commissioners agreed to move forward with the purchase of the air cards. Sheriff Howard discussed the shot guns. There are a lot of shot guns in the cruisers that are not of the same caliber. Sheriff Howard asked the board by resolution to use the researches to get new shot guns at no cost to the Commissioners.

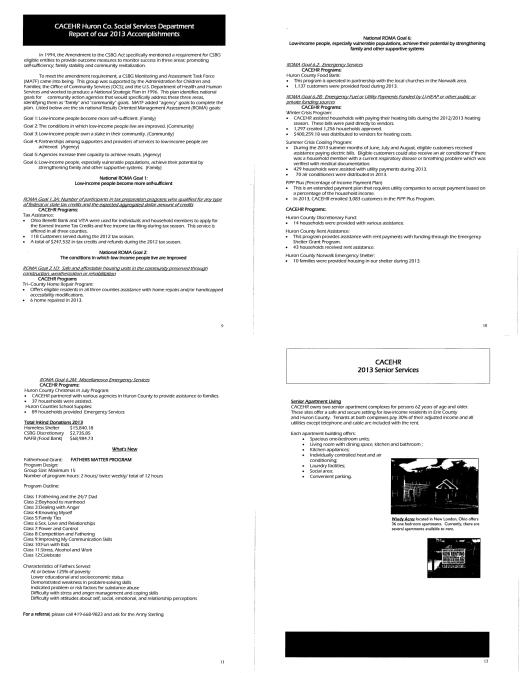

Sheriff Howard discussed the #052 fund turning into a revolving or a special revenue fund. This way they can use the money that comes in, instead of it getting lost in the general fund. Sheriff Howard stated he will draft a letter regarding this issue and submit to both the Commissioners and the Auditor.

At 10:10 a.m. The board recessed.

At 10:17 a.m. the board resumed regular session.

Administrator/Clerk's Report

Bill Ommert called regarding visiting Holmes County on March 31st at 11:00 a.m. Ms. Nolan will contact Mr. Ommert to set this up.

Six County luncheon meeting on April 3rd, \$14.00 per person with include the drink. You have your choice of meal, Mr. Bauer and Mr. Dunlap chose the perch and Mr. Hintz chose the cheeseburger.

Mr. Bauer stated the Senior Citizens breakfast will be on May 8th and a proclamation will be done.

The Commissioners agreed on the plaque for ROY.

Ms. Nolan discussed the Shady Farm lease, still need the exhibit of the number of acres to go with the lease. Ms. Nolan questioned once they have this will she be able to move forward. Ms. Kasper stated you will need to send the exhibit with the lease and they will be able to move forward. The additional amounts will also need to be added.

OTHER BUSINESS

Mr. Dunlap questioned if a resolution was needed to send the documentation to the BOR regarding the airport. Per Mr. Hintz he already sent the documentation to the BOR. Ms. Kasper stated she thought the board was going to speak to the Auditor to see if a new appraisal could be done, before this was sent to BOR. Mr. Dunlap stated the Airport Board overruled this. Ms. Kasper questioned if the Board was informed that they had an option for a new appraisal? Mr. Hintz stated he spoke with Carl Essex and the Airport Board overruled this, however it is unclear if the board was notified of their options. Ms. Kasper stated that the board should do something formal about this. Ms. Nolan questioned if it could be withdrawn before the 31st. Ms. Kasper suggested that the board should ask the Airport Board to have a special meeting, to inform them of these other options. Mr. Hintz will speak to Mr. Essex regarding having the Airport Board having a special meeting and a motion will need to be made by the Board of Commissioners.

Prosecutor's Report

Ms. Kasper discussed the credit card policy regarding receiving some policies from surrounding areas. With these policies they should be able to write up a policy for Huron County. Mr. Bauer stated there will not be a procurement card. Ms. Kasper stated she reviewed a couple that has \$1,000.00 limits and number of transactions. Ms. Kasper also stated what name will be placed on this card and who has authorization to use it.

Mr. Dunlap explained that when they visited Fulton County, they do not do a claim schedule, they do everything through a Purchase Order, the Commissioners approve the P.O. and then they approve a warrant schedule. This is done before the money is spent. Mr. Dunlap would like to submit to the board that he would like to change this practice. Ms. Kasper stated that the Commissioners would need to speak to the other elected officials regarding this change, however I process is not wrong or the State Auditor has not brought it to our attention that this is incorrect. The Commissioners agreed that this needs to be reviewed with the Auditor.

Ms. Kasper questioned on what was going on with the vendor's agreement. Ms. Stebel explained that she sent the agreement back to Fireland's Vending to change the line that stated exclusive rights to vending. Ms. Stebel has not heard back from them. Ms. Kasper stated that she is inclined to accept the agreement as long as this vendor is giving the County competitive pricing on the vending items. Ms. Stebel will review the three proposals to see if Fireland's Vending did give competitive pricing. Ms. Stebel and Ms. Kasper will review this.

Ms. Kasper stated that Christie Lane is fine with the location; the board will need to submit a letter giving permission to go across the property. Ms. Kasper stated that the board my want to ask for compensation for the easement. Ms. Nolan will email and ask Eagle Creek owners to attend a Commissioners' meeting.
