IN THE MATTER OF AMENDING THE ORIGINAL RESOLUTION CREATING THE HURON COUNTY AIRPORT AUTHORITY

Joe Hintz moved the adoption of the following resolution:

WHEREAS, the Board of Huron County Commissioners has the authority and responsibility for determining the term of the members of the Board of Trustees of the Huron County Airport Authority, pursuant to Ohio Revised Code section 308.03;

WHEREAS, in the original Resolution Creating Huron County Airport Authority, December 22, 1966, Journal Volume 41, Page 521, the Board of Commissioners established a five member board of trustees, to serve 5-year terms with the initial terms staggered so that one term expired each year, with each term commencing on the first Monday in January;

WHEREAS, for the past ten years or so, the Board of Commissioners has been appointing members to the Airport Authority for 4-year terms, by request of the then-president of the Airport Authority, Harry Schmidt, however, the practice has caused some concerns; and

WHEREAS, the Board of Commissioners has the power to amend the original resolution for any purpose the Board determines necessary, ORC § 308.03; now therefore

BE IT RESOLVED, that the Huron County Board of Commissioners determines it is necessary to amend the original Resolution Creating the Airport Authority and does hereby amend the original Resolution as follows:

5.1 Commencing January 1, 2013, the terms of the members of the Board of Trustees shall be 5-year

terms commencing on January 1 and expiring on December 31.

- 5.2 The terms shall be staggered such that one term shall expire each year.
- 5.3 The Board of Commissioners may appoint members to terms of less than 5-years when necessary to re-establish the 5 year rotation.

BE IT RESOLVED, that the foregoing resolution was adopted and all actions and deliberations of the Board of Commissioners of the County of Huron, Ohio, relating thereto were conducted in meetings open to the public, in compliance with all applicable legal requirements, including Section 121.22 of the Ohio Revised Code.

Tom Dunlap seconded the motion.

Discussion: Gary Bauer stated that the original resolution was for five year terms and after discussion last week and discussion with Daivia Kasper, Assistant Prosecutor we realized that in 2000 the Airport President asked for four year terms which was done without a resolution. We are now putting it back to five year terms by resolution as stated in the resolution above. Mr. Dunlap thanked Ms. Kasper for getting this straightened out.

The roll being called upon its adoption, the vote resulted as follows:

Aye – Gary W. Bauer Aye – Tom Dunlap Aye – Joe Hintz

Joe Hintz seconded the motion.

Discussion: Daivia Kasper explained the change at the state being the reason for the term being strange. Dennis Doughty was appointed by the state and now will be appointed by the Huron County Commissioners and stated that is why the terms are kind of strange.

The roll being called upon its adoption, the vote resulted as follows:

Board of Commissioners of the County of Huron, Ohio relating thereto were conducted in meetings open to the public, in compliance with all applicable legal requirements, including Section 121.22 of the Ohio Revised Code

Gary W. Bauer seconded the motion.

Discussion: Joe Hintz stated that his concern is that there is not a whole lot of county land out at Shady Lane and stated that he very much appreciates the fact that we have the facility of Fisher Titus but does not understand the need because they even stated publicly in the paper that this is not a need that they need right now and doesn't understand the rush to sell county land at this time. Mr. Hintz stated that he is not happy with the appraisal of the land and feels that in this down economy even though this may be the going rate at this time but feels that in the future the value of this land will increase so this coupled with the fact that he really had no idea that there really was an interest in the BMX any more until we had people come in to our meeting last week and state that. Mr. Hintz stated that he just does not see the need to rush to sell that property at this time. Tom Dunlap stated that he had felt like this as well because there is one thing about selling dirt they are not making anymore and was concerned about that until he had an opportunity to meet with them and find out some of their projections. Mr. Dunlap stated that he knows how lengthy that kind of stuff is and the benefit that the community is going to see out of what they have planned makes him in favor of it at this point. Gary Bauer explained that he has taken his mother to several different buildings on the Fisher Titus campus and appreciates the fact that we have one stop shopping on the same property and at some point if they don't have property then you will have multiple places which makes it more difficult. As far as selling land Mr. Bauer stated that he does not like selling land either but we have a sizeable piece of land between the DJFS and the jail, we have acreage on the far west side of Shady Lane.
