Re: Willard Homes

Dear Ms. Scott,

We are writing this letter to express our support for your proposed Housing Tax Credit Development named **Willard Homes.** We understand that you will be building up to thirty (30) three and four bedroom single family homes targeted toward the low to moderate income population and that the homes will be located on lots scattered along Loris Lane and Pine Avenue in the city of **Willard.** These units would be beneficial to the advancement of families, as well as the City as a whole. We are happy to support this application.

Again, we fully support the real estate development and look forward to working with the future residents of **Willard Homes.**

Good luck with your application. We look forward to hearing the results.

Sincerely,
